MACKAY & WHITSUNDAY

12<sup>th</sup> March 2010

## MEDIA RELEASE

### REDC Invite You To Dine With The Mayor

The Regional Economic Development Corporation (REDC) venture, invites you to have lunch with Mackay Mayor Col Meng, at the first REDC networking luncheon for the year.

As part of a new REDC initiative, the lunch, to be held on Friday 19<sup>th</sup> March at the Ocean International, will include a presentation on the Vision for Mackay.

REDC CEO, Narelle Pearse, said that REDC will host monthly networking functions which will feature a REDC director as a guest speaker.

“REDC directors represent a section of the region or a particular industry, thus providing presentations on topics affecting the whole community. This is a great opportunity for members of the community to network with community leaders and find out more about community projects and their vision.”

For your chance to be involved in this valuable networking event, please contact REDC reception on 4953 2655.
